## Harrogate confirms October date fix until 2025

Following another hugely successful Harrogate International Nursery Fair in October this year, the organising team want to underline that dates have been secured to ensure the show will continue to be staged in October on a 3-year plan from 2022 to 2024 to allow everyone to plan ahead.

All exhibitors and visitors should 'save the dates'

– ***Sunday 15th to Tuesday 17th October 2023*** and ***Sunday 13<sup>th</sup> to Tuesday 15<sup>th</sup> October 2024***.

Rebooking will commence very soon and all of this year's exhibitors will be given priority opportunity to reserve their existing space at the show or request a new stand location before space goes onto general sale.

This year's 2022 exhibitors will be emailed in early December to advise that their priority booking for 2023 is open, so be sure to look out for that in the next 2 weeks!
