

Awards shortlist announced

If you are looking for guaranteed best-selling products at Harrogate this year, be sure to check out the Baby Products Association's shortlist for the 2017 Baby and Nursery Trade Awards (BANTAs) which was announced on Friday. These are products which the judges (who are all industry experts) believe really stand out from the crowd at the show this year. There are eight categories of products in the awards: Travel, Travel Accessories, Sleep Accessories, Toys, In Home, Safety, Feeding, Cleaning and Changing and Best New Product – [CLICK HERE](#) to view the full shortlist.

Quintessentially British

Mummy Loves Organics range of therapeutic body candles are hand poured using the very best organic shea butters and soy wax, along with the purest pregnancy safe essential oils. The candles contain no nasties, are non-toxic and burn clean due to 100% cotton wicks and are super safe to light in the home and around children and pets.

When lit, these fabulous candles melt into a magical massage oil which burns at two degrees above body temperature making it perfect to apply to the skin for the ultimate luxurious hydrating experience that soothes the body and mind. They help with anxiety, stress, insomnia, and balancing hormones as well as the incredible healing power they have for eczema, stretch marks and scar tissue.

Gel with mums

Innovation in function, support and comfort has always been at the heart of Carriwell's Maternity and Nursing products. At Harrogate this year, the company will show for the first time ever its latest innovative nursing bra that combines Carriwell's patented GelWire with a number of selected technologies to create the most supportive nursing bra for breastfeeding mums of all sizes. Be among the first to see this exclusive nursery bra that is guaranteed to 'gel' with nursing mums!

Get organised

During the last 12 months, Dreambaby has developed a fabulous travel range, with the aim of helping make a day out with little ones easier. Dreambaby's Strollerbuddy range has added a splash of colour with a great range of stroller clips. These clips add fun and practicality to days out and about, helping to keep blankets, toys, hats and more attached to prams and strollers, whether at the beach, park or Malls. Another addition to the Strollerbuddy category is the Dreambaby EZY-Fit Giant Stroller Hook. Made from strong, lightweight aluminium, this generous sized hook has wavy ridges to hold bags in place. This is a perfect match to the range of Strollerbuddy Organiser bags. And remember to check out the 2 pack of EZY-Fit Stroller Hooks for a simple solution of where to hang

umbrellas and the like. *(Always ensure strollers are not overloaded so that they will not tip.)* Dreambaby has an ever-growing range to suit everyday needs.

Light as Air

The latest innovative product from Little Saints, launching at Harrogate is the Familidoo Air, a super-compact, one-hand fold, light weight stroller weighing in at only 5.2 kg. It's suitable from six months, has a full-size sun canopy, a good-sized shopping basket and offers great quality and value.

The Familidoo Air comes in a range of three cool colours with a unique, fun 'Are You Familidoo?' soft goods design that will set it apart from the rest of the market. Suggested retail price is only £149.99.

Come and see the Familidoo Air at stand C94.
