

## Head for The Hub

With six halls of the Harrogate International Centre packed to the brim with exciting new baby products, retailers and buyers are advised to plan their visit to Harrogate International Nursery Fair to allow plenty of time to ensure they get to see everything the show has to offer.

**The Hub - Hall H** is a focal point this year with 70 per cent of its exhibitors brand new to the show with some incredibly exciting fresh products. For example, **Vija Design** with maternity clothing; **Baby Acorn** with vibrant unisex baby wear and gifts; **Pooter** with books and gifts; **Petite Namaste** with a gorgeous bedding collection; **Blue Maestro** with baby health products and many, many more. You can see a full list of exhibitors on the website at [www.nurseryfair.com](http://www.nurseryfair.com)

## Splash out at bath time

aden + anais brings innovation to modern baby care with a range of beautiful products including a plush terry baby bath wrap, perfect to dry little fingers and toes and an easy-to-use tie and smaller hood to create a snugly fit. Also, hooded towel and washcloth sets in exclusive new prints to keep little heads warm and dry, whilst the 100% cotton muslin washcloth is gentle against the skin. Even growing toddlers will love to cosy up in a towel that is soft and fits just right – made with terry cloth in exclusive new prints, bath time just got a lot more fun! **Visit aden + anais on Stand B12.**

## Feeding innovation

Cicada is a first time exhibitor and UK distributor of Kidsme – an extensive feeding range new to the UK, including international award-winning products such as the patented Kidsme Food Feeder which won the HK Innovation and Creativity Award and was nominated for the Innovation Award at the Kind + Jugend. Kidsme's commitment is to develop safe, innovative products that empower children to actively participate in the discoveries of mealtime and beyond. **Please Visit Cicada Booth HP125**

## Magnificent moodelli

If you're looking for stylish and cleverly designed kids' furniture then be sure to see the latest collection from Moodelli including its utterly unique moodelli baby box which introduces the universal concept of growth – an extending cot that grows with baby and then reverts back to a toy box. There's a stunning changing table and a cube shaped dimmer light that illuminates with different levels of intensity depending upon how much light may be needed

at one time. There's not enough space here to explain the versatility of this incredible product – which amongst other things can be a baby bouncer, highchair, chair and much more – well worth a ***visit on NSA Stand C41.***

## **Spoilt for choice**
