

Harrogate Nursery Fair News

Things are cooking up on the Kids Line stand!

The Kids Line UK team has seen a busy year, moving into new premises with a purpose built showroom and enhanced with enthusiastic new staff members, who are looking forward to their first real 'taste' of the nursery industry at Harrogate Nursery Fair this year.

New bedding ranges launching are as beautiful as ever with fabrics and finishes offering retailers the highest level of quality with stylish modern and traditional designs and fully co-ordinated accessories. Also featuring for the first time in Harrogate is Kids Line's new range of UK nursery furniture manufactured by its sister company La Jobi, plus beautiful designer changing bags by Kidslines and Cocalo.

The company is also launching into the baby feeding category with its new Baby Chef range

and visitors to the show are invited to come along to the Kids Line stand (which is three times larger than last year!) in the Kings Suite in Hall Q to view product demonstrations in the Baby Chef kitchen. Come along and see these innovative kitchen products in use and sample the fruits of their success!

Beautiful baby toys and gifts

With a whole host of new wooden clutching and rattling toys joining its award-winning catalogue of baby toys, nursery retailers will be spoilt for choice when visiting HABA's stand at Harrogate Nursery Fair this year.

Made with sturdy beech wood shapes on stretchy elastic, HABA's new clutching toys incorporate a number of activities from little bells to rattles and foils. For example Zi-za-zip has moving rings and a little star, while Otti is the cutest caterpillar and presented in its own gift box makes the ideal birthday or baby shower gift.

Also, combining its beautiful wooden toys with sound, HABA introduces a fabulous pre-school musical range which is cleverly designed so that the volume is suitable for even the smallest

child. Each instrument is designed to trigger the pleasure of experimenting with exciting sounds and effects, for example, the Magical Sound Flute has a movable stick which changes the whistle tone when moved up and down.

Another hugely popular baby range for HABA this year is its Pure Nature collection of beautiful soft toys made from the highest quality organically farmed cotton. These incredibly cute characters include snuggling lambs Cuddlekin Cotti, Pulling and Clutching Cottis and even a cuddly Spelt Cushion Cotti which can be heated in the microwave to provide a warming companion.

To view these and other fabulous baby toy and gift ranges visit HABA on stand Q37 or contact: sales@haba.co.uk

Warm hands to match mums

Following on from the huge success of award-winning Mummy Mitts - which attach to the handle bar or handles of any pram or pushchair allowing parents the convenience of removing their hands while the mitten remains attached – visitors to Harrogate can view the latest innovation from this company, Bubby Mitts.

These great little mittens will be a huge hit with babies for their comforting warmth – while parents will be relieved that the days of lost mittens are in the past! Bubby Mitts have a universal clip which attaches to any clothing, ensuring they stay on baby's hands – and the great thing for those owning Mummy Mitts, the Bubby Mitts match yours!

Visit Mummy Mitts on stand Q19 or call 08453 908068 for more information.

If you visited Harrogate Nursery Fair last year you will automatically be pre-registered for the 2011 show – however, don't forget to remind your colleagues and friends in the industry to sign up for fast-track entry to the show by visiting: www.nurseryfair.com
