BANTA Shortlist Announced

After much deliberation, the BPA's Baby and Nursery Trade Awards (BANTAs) judges have announced the shortlist of entries which will be invited to the final stage of the judging process at Harrogate Nursery Fair on Sunday.

Julie James of the BPA comments: "We had numerous BANTA entries this year and the quality and diversity of products presented was quite outstanding. The judges were tasked to look a number of criteria

including innovation, marketability, safety, consumer appeal and value for money and the 49 shortlisted entries chosen were the overall consensus of the entire panel."

European Award winner hits the UK

Casualplay has been designing award-winning strollers and car seats in Europe for over 40 years and are looking forward to their UK launch at Harrogate.

Come and see Kudu with its revolutionary aluminium frame, which flows in liquid curves that used to be the sole preserve of carbon fibre and find out why Kudu won the Kind und Jugend innovation award 2012.

Plus Q Retraktor, the only car seat in the world that uses adult seat belt technology to reduce displacement by 30% and Sono the only 0+ car seat that reclines and still only takes up one space in the car.

Casualplay's complete range of strollers, car seats and carrycots will be on Stand H2

MaByLand launches two new collections

MaByLand will be launching two new product collections at the Harrogate Nursery Fair; The Floral Collection and The Luxury Collection. It has added two new floral changing bags to its ever

popular floral range which now totals to six changing bag sets in two different styles, with new single and double size bottle insulators. MaByLand will also be launching The Luxury Collection, which includes the new ergonomic Comfort Carrier, Maxi & Mini Elite Changing Bags, and matching Bottle Insulators.

Look out for ewan the dream sheep's new doggie pal

The SweetDreamers team has been busy creating a new pal for the multi-award-winning ewan the dream sheep and he's due to be unveiled at Harrogate!

Introducing Russell the dream sheepdog – with softly changing warm glow, gently lights up the room with all the colours of the rainbow. Russell is a great way to help toddlers feel comforted and secure at bedtime as his enchanting 'light show' lulls them off to sleep. Better still, Russell has a voice recorder so parents can record themselves, songs or favourite stories for their toddler to enjoy. Cute, cuddly and comforting...Russell is set to become a favourite at toddler's bedtimes as he helps combat fear of the dark and eliminates bedtime battles.
