

## Harrogate party time - Save the date ...

Visitors to Harrogate International Nursery Fair hoping to mix serious business with little bit of pleasure too should save the date – **Sunday 29<sup>th</sup> March 2020 from 7.30pm to midnight at the Majestic Hotel** (next door to the Harrogate Convention Centre) – as the show organisers and its sponsors have announced a free party!

Harrogate has always been renowned for its great social element and retailers and buyers attending love the opportunity to let their hair down and have some fun after a busy day working in the exhibition halls. This year, we are delighted to announce there will be a party at the Majestic Hotel once again, with a buffet, drinks – and of course music to get the party atmosphere going.

More information about this event will follow in the next few weeks – but if you are coming to Harrogate, be sure to pop this date in your diary.

## Clever bathing

The ClevaMama® is delighted to be at Harrogate this year with a range of exciting new products and to share the new **ClevaBath™**. A revolution in baby bath time, it was created to give peace of mind to parents by making bathing a baby easier and safer. Designed to sit over any standard sink, it means no heavy lifting, no bending and no water mess, just easy and gentle bathing.

Not everyone has a bath at home, but everyone has a sink, the ClevaBath™ cocoons baby snuggly in an upright position, so they feel safe and relaxed at bath time. Its soft, flexible, perforated basin makes it so easy for draining water after use.

The removable, adjustable supports make ClevaBath™ perfect for newborn babies up to 12 months. It's lightweight and collapsible design is for easy storage.

## Travel happy

It's the little things in life that make all the difference and this year, with the introduction of exciting new products and updates throughout its accessory range, Diono has something for every journey. The company understands that safety doesn't just stop at car seats – there are a lot of important extras that go into safe and happy days out.

Diono's newly extended range of travel accessories are designed, engineered and tested to the highest safety standards to make every journey safe and stress-free. It has applied clever thinking and attention to detail to create a collection of clever 'added extras' designed to create that perfect balance of parent convenience and child comfort to make journeys happier and easier. Diono also has stroller accessories, travel bags and products designed to protect babies keeping them cool, calm and comfortable. Be sure to see the new range plus the collection of car seats and strollers.
