

Countdown to the UK's only nursery trade show!

With just two months until Harrogate International Nursery Fair opens its doors to visitors seeking the latest innovations in preschool products, the show encourages attendees to register online today for free trade entry.

Harrogate Fair is the UK's only nursery trade show, with numerous favourite baby brands exhibiting to present new product launches for the coming seasons and a not-to-be-missed business date for retailers and buyers seeking the latest trends to tempt their customers.

The 2024 show offers five halls of the Harrogate Convention Centre including new for this year The Baby Boutique Village with a range of baby fashionwear.

Visit the website at www.nurseryfair.com or register [ONLINE](#) today!

Compact fold from iCandy

This year's Harrogate will see an extraordinary first from iCandy and a much-anticipated new addition to its ever-growing and luxurious pushchair portfolio as they confidently enter into the compact fold category. In addition, the iconic Peach 7 collection will see a truly stunning new addition to the lineup!

iCandy's Product Design team has been working hard on a number of new and innovative product launches and can't wait to showcase these to their extended iCandy family of loyal and prospective retailers.

This new innovative ride on scooter makes days out easier and more convenient with patented 360° parent steering that helps adults guide their child! Suitable for ages 15 months to six years, it grows with the child. The 100% tool-less design is easy to assemble and transform from a ride-on to a walking bike and then a scooter. Globber's patented steering lock button enhances balance and coordination, while the LED light-up module provides sensory stimulation. With a 3-height adjustable seat, anodized T-bar, removable footrest, basket, and patented folding system, comfort and safety are maximized. Grow with

All-covered

Autumn 2024 promises another key phase of launch activity for Bibado, with the follow-up to last year's Scandi-inspired

Coverall Weaning Bib prints.

Award-winning Coverall Bibs move to a new and improved soft matte PU fabric with superior stain resistance and a more premium feel for elevated dining - perfect for taking out and about.

The patented strap is updated to a streamlined, integral one-piece for improved usability and to fit an even wider range of high chairs. It remains fully adjustable for a custom fit and to create the signature Bibado well to catch food and spills.

The new collection comprises stylish, gender-neutral, original hand-drawn designs conceived to make tiny dining an elegant affair.
