Secure LAST spaces before the holiday season

Before schools break up for the summer, Harrogate International Nursery Fair advises potential exhibitors to secure their space at the show prior to the holidays as there are now only around 20-25 stand allocations available in the entire five halls of the exhibition.

Adrian Sneyd, show organiser explains: “Whilst October may seem a long way off, once the holiday period begins, it soon appears! We would always advise that its far less stressful to make sure you’re not one of the last minute bookings that always arrive in September when people get back from their summer break and realise its already upon them; which can lead to disappointment with the only stand options available.

“We already have a great looking fair planned and commitment from around 100 exhibitors. Theres only a couple of stand allocations available in Hall B with three other halls totally sold out. Hall Q already has some favourite brands confirmed, however there’s still a choice of prime positions available if brands are quick to secure them.

If companies know that they plan to attend, but simply haven’t got round to booking, I firmly advise them to get in touch as soon as possible.”

Lamia Ben of LeoKing Babywear exhibited in 2023 and commented: “Well, if we could rate 100 stars I would do so without any doubt for this successful event – Harrogate International Nursery Fair. We really had a great time, the whole team were engaged and the networking opportunities were fantastic from the start!”

Anne de Montbel of BabyBjörn also gave positive feedback stating: “It was a very good show with the right number of visitors. We were pleasantly surprised by the number of Irish customers / prospects, we hadn’t expected so many!”

Harrogate International Nursery Fair takes place at the Harrogate Convention Centre from 13th to 15th October 2024. Prices and booking forms for the show can be found at www.nurseryfair.com – or if you would like to discuss options further, contact Adrian on 01902 880906 or email: adrian@nurseryfair.com
