

Silver Cross returns

One of the world's leading nursery brands Silver Cross confirms its return to Harrogate International Nursery Fair 2019 having last exhibited in 2013.

Adrian Sneyd, show organiser, comments: "Independent retailers love the brands supporting the show year-on-year such as BabyStyle, DCUK, Cheeky Rascals, Hauck and Bebecar to name just a few; and were delighted at the recent announcement that Bugaboo, Microlite, Venicci, Laessig, CuddleCo, OBaby and Mee-go have confirmed for this year's show. Silver Cross announcing its return is the is great news for everyone involved – retailers have been saying that big brands exhibiting would make visiting the show even more worthwhile. We now hope that they vote with their feet and make 2019 a bumper year for everyone involved."

Features this year include *The New Product Showcase* offering a first-port-of-call for anyone seeking exciting new product launches, the Baby Products Association's Seminar Programme and its annual industry awards.
