

# A host of new brands

With over 150 exhibitors now signed up for the show, and of these over a third brand new to Harrogate International Nursery Fair, visitors are guaranteed to find some exciting new stock ranges. In addition, many exhibitors are offering some great show exclusives, so buyers can make huge savings on orders placed at the show.

## Versatility and style

Little Rosa is new to the show and will be demonstrating innovation and freshness in new products. Launched in 2015, Little Rosa is a premium brand using high quality muslin fabric to create swaddle blankets combining style, comfort and amazing versatility. The company is showcasing its innovative pram pegs for attaching items to any style of travel system.

## Beautiful cribs

Leipold has an even larger stand this year and some very special show offers on baskets including the popular draped crib, fully dressed in four fashionable colours – pink; blue; grey or white at remarkably low, competitive prices; plus cot bed bedding and accessories available to match. Don't miss the new sweet heart swinging crib and new dressings for the most popular hood crib, bedding from prams in classic or contemporary styles to suit coach built or modern systems, plus christening wear and fully dressed four post cot.

## Firm favourite

Dooky is delighted to showcase its range of pram and car seat accessories at the show this year. On-trend, co-ordinated designs, consumer marketing and competitive price points have made Dooky a huge success with retailers and consumers alike. The company offers great margins, marketing support and next working day delivery from its distributor. Dooky is offering 10% discount for orders placed at the show.

## Beside companion

More than just a nightlight, Cozyglo lamps are cute bedside friends that are brand new to the market. These nightlights create a warm ambience and include a dimmer, clock, stopwatch, thermometer

and sleep trainer. Cozyglo lights are designed with the needs of parents and children in mind. They are useful from birth, particularly during the months when little ones are in parent's rooms. They are also an attractive addition to any child's bedroom and make story time that little bit cosier.
