

## Wine on Clarion

Visitors attending the BANTA Awards Dinner at The Majestic Hotel on Sunday 29<sup>th</sup> March are in for even more of a treat as Clarion Events (organiser of The Baby Show) has just announced that it will be sponsoring wine to accompany the meal. Adrian Sneyd of Harrogate International Nursery Fair, said: "We are delighted to have Clarion Events on board, alongside Nursery Today, as a sponsor for the evening and now guests will be able to enjoy a glass of wine with their meal as well as top class entertainment from comedian Jason Manford." Tickets for this event have almost sold out. Please email [Robert@nurseryfair.co.uk](mailto:Robert@nurseryfair.co.uk) to check availability.

## Catwalk cover

The UK launch of the Bo Peep buggy cover will be turning heads at Harrogate this year. Created to compliment fashion-conscious parents and their coveted buggies, Bo Peep makes any walk an everyday catwalk! This stylish accessory shelters and cocoons little ones from UV rays, sun, wind, rain, insects and blocks out stimulus at nap time. For a closer look, creator and mum Amy Murray Jones will be demonstrating Bo Peep's innovative cover and gorgeous range of designs for summer 2015 by the seminar area at **Stand HP128.**

## Happy feeding

Comotomo, the leading silicone baby bottle in the US, is launching its five star rated bottles and teethers in the UK. Comotomo's unique bottles help the transition from breast to bottle and back again. With skin like texture and naturally shaped medical grade silicone teats they are ideal for breastfed babies and their material means they are safe in dishwashes, microwaves and sterilisers. The wide neck and non-leaking anti colic vents help babies feed calmly and stay happy, and with the reassurance of the material being BPA, PVC and Phthalate free you can really see why these bottles lead the way with feeding innovation to give parents peace of mind. **Visit Comotomo on Stand A10.**

## Cuddledry goes wild

Having spent eight years at the top of the tree for baby towels, Cuddledry has a new customer climbing its way up - the gorgeously snuggly Snow Leopard! Cuddledry has teamed up with the World Wildlife Fund to create this spectacular design for its must-have bamboo/cotton baby and toddler towels, with money from each sale going to help conserve this beautiful animal. African animals are not left out either, as sales of the ever-popular giraffe print products also contribute to WWF projects. **Visit Cuddledry on Stand C37.**

## Lots from Little Saints

Home of innovative, essential, design-led brands from around the world, Little Saints will be launching the innovative Chewbeads, safe silicon jewellery for mothers and babies to wear, and teething babies to chew on. Another launch will be the 'Diaper Alert' a simple, small, reusable sensor which attaches to the front exterior of nappies and when it detects it has been wet or soiled, sends a message via Bluetooth to the app on the parent's smart phone, for quick nappy changing. The Bumberide Indie4 pushchair will be adding an all-black version, and the latest colourways of the Red Dot Design Award winning Nomi highchair will be showcased. **Visit Little Saints on Stand C26.**
